

Entrepreneurial Marketplace

To give young motivated entrepreneurs the opportunity to try their hand in the business field, Coligny has created a new venue – the Entrepreneurial Marketplace.

The Entrepreneurial market will be located near the center stage kiosks area. Young entrepreneurs who qualify will be able to secure a table in the marketplace.

The hours of operation are 5:00pm to 9:00pm on select days of the week for Coligny events. Days will be announced weekly.

The cost is \$20 or 10% of sales.

In order to qualify, young entrepreneurs will need to present their product and business plan to Elias Droubi and Leslie Richardson. Go to the Coligny website, www.colignyplaza.com, to download the form and follow the steps to apply.

Young Entrepreneurs will learn how to run a small business and how to take a product to market.
